

# THE MOST RUGGED ALL TERRAIN MOVING CART

## MOVING JUST GOT EASIER

Rhino Cart is the most rugged all terrain moving cart on the market. It's a heavy-duty moving dolly specifically designed to conquer thresholds, uneven surfaces, and even hard pack dirt & gravel while carrying up to 1,500 lbs.

- Carries 1,500 lbs (25% more than a traditional moving cart)
- 8 heavy-duty urethane wheels make taking on uneven surfaces easy
- Easily extends to 46" to accommodate large objects and pallets
- Sides can be completely separated and used to move oversized objects
- Built tough using commercial grade poly resin and the same type of specialized steel used in industrial applications
- Made in USA with a 1-year warranty

**BUILT TOUGH**

**VERSATILE**
